# Planters Where You Choose the Dimensions!

For years designers have been struggling with finding Planters that fit their designs. Today, no longer!

Connect Planters are a selection of pre-designed shapes with dimensions specified by YOU

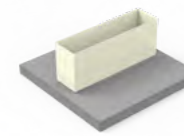

Arrange into any combination of layouts  
Customize to existing furniture dimensions

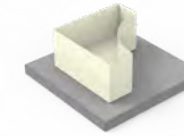

Utilize our Planting Services and/or Expertise  
Ships anywhere in the US

# The Simple Process

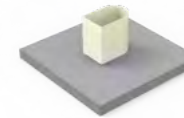

## STEP #1 Choose Shapes

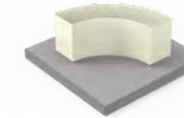

Rectangle

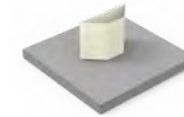

Rounded Corner

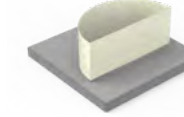

Bullet

Quarter Circle

Wedge

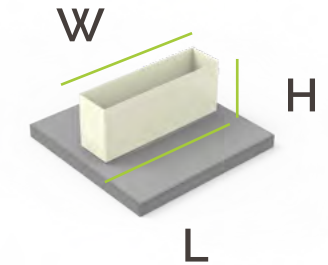

Semi-Circle

## STEP #2 Specify the Dimensions

Make your planter selections as tall, short, long, narrow as your project requires.

Your planters can stand alone or be specified to fit with other furniture.

# Popular Uses

Layout Design

Tops of Surfaces

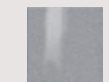

End Caps
